Dear All at Academy Windows,

Just to let you know how pleased we are with our new windows and doors. In addition, it must be said that the entire job was undertaken in a professional, courteous helpful and hassle-free manner. Each 'Academy Windows' employee with whom we came into contact was able to complete his/her job with no complications. Congratulations to you all!

The only complaint we have is that we didn't have them done sooner!

With many thanks,

David and Emma Mylattie.
