Looking out has never been so good

New windows can really enhance the look of your home, both from the inside and out.

We offer a wide range of styles to suit both traditional and new build properties.

Opt for traditional white frames, or a natural woodgrain effect in golden oak, rosewood or mahogany. Then decide if you’d like Georgian, stained, diamond lead or bevelled glass.

Whatever style you go for, you’ll find our windows aren’t just pleasing on the eye, they’re practical too. Minimal maintenance means their good looks will last well into the future.

Vertical slider

Combining the traditional and the modern

The vertical sliding sash window range combines the elegance of traditional sash windows with the benefits of modern materials. Manufactured from PVCu they are strong, will not rot, warp or require repainting; ensuring that they retain their colour and shape throughout the years with the minimum of maintenance.

Suitable for both replacing existing timber sliders in period buildings and adding character to any development, vertical sliders retain all the traditional features of their familiar counterpart but with the enhanced benefits that modern PVCu systems provide.

Features and benefits

Our vertical slider allows you to enjoy the benefits of modern performance with traditional aesthetics. High security, advanced weather and energy performance combine to ensure our products are built to last the test of time.

Other key features and benefits include:

• Extensive choice of designs
• Available in a variety of foiled finishes, both woodgrain and solid colours
• Range of handle colours to complement the finish of your windows.
• Wide range of glass designs, from leaded to Georgian bars.

Design options to enhance your home

Georgian Bars
This style option allows you to tailor your window glazing to create a personal finish for your home. This is achieved by inserting a shaped bar in between the glass panes.

Astrical Bar
Similar to Georgian bars but offers a more traditional finish by planting shaped bars on top of the glass panes thus creating depth to the design and the look of individual glass units.

Mock Horn
Our Mock Horn feature enhances the aesthetics of your windows by achieving the appearance of a traditional vertical slider.
